These include the agencies of the United Way of North Central Florida, Community Health Charities of Florida, and other independent agencies. To participate, agencies must be nonprofit and must address health, social service, diversity, relief, development or environmental issues of local importance. Agencies must apply each year for the campaign and be approved by meeting all the requirements of the application. The list of agencies participating in the 2020 campaign is available on our [Agency Page](#).

The campaign is held each fall and is divided into a Leadership Campaign and General Campaign. In 2020, the Leadership Campaign will run from September 8th - 25th, and the General Campaign will run from September 28th - October 16th.
