

**05/19/2022 "Research Task Meeting"**

**THE PRIMARY MISSION OF RTF (RESEARCH TASK FORCE)** is to identify the needs, concerns and challenges of research faculty and trainees and bring them to the attention of the Faculty Council.

**PRESENT:** Lobanova, Ekaterina <elobanova@ufl.edu (chair)>; Chakrabarty, Paramita <pchakrabarty@ufl.edu>; Dore, Sylvain <SDore@anest.ufl.edu>;  
""Brunson, Jason Cory" <Jason.Brunson@medicine.ufl.edu>; "Bird, Jonathan" j.bird@ufl.edu;  
Mark; Segal, Mark <Mark.Segal@medicine.ufl.edu>; Ghiaseddin, Ashley  
<Ashley.Ghiaseddin@neurosurgery.ufl.edu>; Rosenthal, Martin Daniel  
<Martin.Rosenthal@surgery.ufl.edu>

We discussed the research benefits of the enterprise license for Labarchive and Biorender and various criteria for college-wide research awards selection (an initiative led by Wellness Task). We continued discussions on current compensation and space allocation procedures over email.
