

06/16/2022 "Research Task Meeting"

THE PRIMARY MISSION OF RTF (RESEARCH TASK FORCE) is to identify the needs, concerns and challenges of research faculty and trainees and bring them to the attention of the Faculty Council.

PRESENT: Lobanova, Ekaterina <elobanova@ufl.edu (chairDore,Sylvain <SDore@anest.ufl.edu>; "Brunson, Jason Cory" <Jason.Brunson@medicine.ufl.edu>; Greene, Lisa Merlo Imerlo@UFL.EDU; Rosenthal, Martin Daniel <Martin.Rosenthal@surgery.ufl.edu>; Bova, Frank J <bova@neurosurgery.ufl.edu>

We discussed the preliminary results of IT-survey with Dr. Bova (member of UF IT Committee), enterprise license updates for Labarchive and Biorender, and efforts to recognize/award undergraduate research. We continued discussions on the costs of desktops, laptops, and WI FI access over email.
