Research Task Force (RTF) meeting minutes

Attendees (via Zoom): Jonathan Bird (chair), Mark Moehle, Robert Mankowski, Lisa Merlo, Mark Segal, Sylvain Dore, Cory Brunson, Steve Sugrue (guest)

Chair opened the meeting and introduced new members joining the RTF, Drs. Moehle (Pharmacology and Therapeutics) and Mankowski (Physiology and Aging). RTF heard from invited guest Dr. Steve Sugrue, VP for Research at UF Health. Conversation with Dr Sugrue included discussion about UF-Scripps and how to build collaborations with the Gainesville campus, the AI-initiative at UF, and how to build on the existing BMS graduate program.

Chair thanked Dr. Sugrue for his long service to UF. Meeting was adjourned. Next meeting September 22nd.
