

Research Task Force meeting
September 22, 2022 @ 1pm (via Zoom)

Present: Jonathan Bird (Chair)
Gigi Lipori, Sr VP and CIO UFHealth (Guest)
Sylvain Doré
Paramita Chakrabarty
Mark Moehle
Robert Mankowski
Cory Brunson
Mark Segal
Katya Lobanova

Chair opened the meeting at 1pm and welcomed Gigi Lipori, CIO UFHealth as guest. A list of prepared questions assembled from the recent Faculty Council IT survey were put to Gigi Lipori. Discussion focused around improving IT resolution times, implementation of a separate research network isolated from the clinical network, funding models for IT support, and pending introduction of privilege account management (PAM) to allow users limited escalation to admin rights.

Meeting was adjourned at 2pm.
